MISSION OF THE MONTH: SEPTEMBER A/C - LUTHERAN DISASTER RELIEF

Change and Satisfaction

Culminating a process lasting over a year, on July 24th, the congregation called the Rev. Micah J. Stumme as its next Pastor. He accepted the divine call. We are full of joy.

I want to thank all those persons who were part of this transition into our next chapter as a faith community. The Holy Spirit enlivens the gifts of so many different people for his purposes.

Onward! 19 months together. Wow. So, what has God done with us during another chapter of St David's? I am satisfied with developments in our increasingly joyful and lively worship life, our children's ministries, our communications, fellowship, reaching out to the poor, our

stronger attendance and giving, and our improvements to the physical plant.

I have seen how you compromise and collaborate for the good of the whole body, even though we are of course different people.

Most of all I am satisfied that you and I pondered the purposes of our lives in light of the promises of God.

Everything we do must serve to build faith in God and love for one another.

My last Sunday is October 9th. The pastoral handover to Pastor Stumme will occur on October 10. I've already been working with him to insure a smooth transition. It is important that we all support him 100%.

While I am so very proud of what we have accomplished together, at the same time, I know I will be sad to finish my ministry here, given how much love I have felt at St David's.

See You In Church..

Summer is ending even if the temperature and humidity don't agree, and we are beginning to work on all the activities that were put on hold the end of June.

Be sure to check the Herald and the weekly bulletin for startup times for church activities as they might not be the same as they have been. The church services will remain the same until September 11th when we will celebrate Rally Day.

The Saturday evening service remains the same as always -5:30 P.M. with Holy Communion, and the Sunday morning service is at 10:00 A.M.

On September 11th the Sunday service will be held at 9:00 A.M. so that there will be time afterwards for refreshments and games on the church lawn.

This is the first Sunday for Sunday Church School so be sure to check class assignments and teachers beforehand.

Our regular Sunday church schedule- Sunday service at 9:00 A.M. along with Sunday Church School, and the later service at 11:00 A.M. will begin on September 18th, and the Fellowship hour will be between the services in the Fellowship Hall. Plan to drop by for conversation and goodies.

Looking Ahead...

Our new Pastor arrives the middle of October!!!!

Come Home Where The People Care...

2016 Summer Capital Campaign **“Be Seen and Be Heard”**

Do you notice we are positioned at a great corner? Every day hundreds of cars travel by our church. Isn't there an opportunity here we have to communicate who we are and what we do with our community.

Well, lets use it. Our council has decided to improve our communication with our local community through better signage.

We are planning for an electric digital sign on the corner to share messages and events with thousands of drivers each week.

We must leverage the location God has given us to be a brighter “light on the hill.” We have also decided to replace a bank of the circuit boards at one time in our organ which are slowly requiring replacement one at a time. Obviously, doing this at one time is far more economical than all the service calls required.

Our budget, is \$25,000 altogether. We already have \$8,000 committed. Can you join in this campaign? This is a good time to purchase a leaf for the Tree of Life, or even a major gift.

I am enthusiastic about St. David's and am proud of you. Our church is simply ALL of us, including you. So, please think about your gift to this campaign for improving the community's awareness of our church and of keeping our lovely organ singing to God, in good shape.

Gods Work Our Hands...

Please join us for our food collection program on Saturday, September 10, at Stop n Shop on the corner of Hicksville and Jerusalem in Massapequa. Together we collect over a thousand pounds of food for the hungry in our county. It is inspiring for all who come. Please sign up for an hour in the lobby. You won't regret it.

Communicating..

Help us to maintain regular communication with you and provide you with good pastoral care by keeping our office up date with your current address and contact information. Also, please let the office know if...

- a baby is born in your family.
you wish to be baptized or have
a child baptized

- you wish to learn about Sunday School or confirmation programming.
- you wish to be married.
- you wish to be prayed for.
- you would like to learn about joining St David's. you are ill or hospitalized
- you wish to receive communion at home
- you need a ride to worship.
a family member dies

Electronic Giving...

Are you not so good at remembering your offering envelopes or your

check book? Do you go out of town regularly for a few weeks at a time? Do you want to simplify your giving?

Did you know that St David's offers electronic giving? a simple process, your offering can be transferred automatically from your bank account or credit card once each month. It's easy.

At the bottom of the left column of our website front page is a blue button labeled DONATE. When you click it, you are taken through a menu where you create an online profile with your address, account number, and offering amount.

Your information is safe and secure and you have full control to stop or change your offering at any time. If you choose to enter your frequent flier credit card, you can even earn miles with your offering.

If you have any questions, just ask treasurer Anne Anderson.

Confirmation Programming...

Providing healthy faith development for middle scholars is our commitment to all parents.

All children entering grades 6 thru 9 are welcome to our mid week faith formation program, called confirmation.

We help teens craft an identity in Christ, and encourage and equip them to live out the call God has on their lives. Our middle school formation program involves weekly classes, following the themes of our Lutheran catechism.

Kids also participate in weekend camps, day trips, service opportunities, and youth evenings. Our parent and student orientation with Pastor Micah is Wednesday, October 12th at 7 pm.

Our program continues each Wednesday at 630 to 8 pm, always beginning with dinner with Pastor.

Please note this essential retreat for your middle school child.

Dates: September 23-25

Place: Camp Wilbur Herrlich (www.campherrlich.org)

Who: St. David's Confirmation Students Grades 6-9 and our friends from Our Redeemer in Seaford.

What: Exciting outdoor camp activities, dorm style accommodations, great food, and a ton of fun all woven into learning about God's love for us. Chaperones/Drivers are needed.

Birthdays

We'd love to mail you a birthday card on your birthday, to mark what God has done so far in and through your life since you were born. Please email your name and birthday to Rev Juanita at revjuanita@aol.com. (don't worry. we won't publish your birthday to the world.)

Counseling?

What do you think about Counseling? Gone are the days when seeing a counselor was something to be embarrassed by. Counseling is the best tool to reorient your thoughts.

Counselors can you help think through and improve difficult relationships, come through the grief of a great loss, or reduce extended anger, stress, anxiety or depression. On the other hand, counselors can also make a good life even better. Specifically, counselors can help us become stronger persons.

That is, more assertive, more accepting of ourselves and others, better parents, and able to forgive someone who has hurt us. Counselors can help you reach a goal. If you need a good counselor referral, please ask Pastor.

Habitat for Humanity Faith Build 2016...

Announcing St. David's Work Day, Saturday, October 1st. St. David's has been called to provide volunteers for new house construction.

Join the St. David's crew! Our July 9th work day was so inspiring they wanted others to have a chance to feel the joy and deep satisfaction of the day, working to move a family out of poverty. You are needed.

All volunteers on a Habitat Construction site must be at least 16 years old. No prior construction experience is needed, just a good attitude! (Pre-registration required.)

Habitat for Humanity has been our mission partner for years.

Habitat helps the working poor move into home ownership through leveraging good will and faith in accessing land, materials, and labor from individuals, churches, and business. We will begin the day with an 8:45 am. Lunch break will be at 12:00 noon. (please bring your lunch) Water will be provided. We'll end the day at 2:30pm.

Habitat Suffolk will provide competent guidance and oversight, and all safety equipment and tools. There are no specific skills required to work at a Habitat for Humanity work site.

To volunteer, sign up in the church lobby, call Julie Meier at 516.974.7009, or email julieannmeier@verizon.net.

Housing Study..

Pastor Stumme will be commuting from Queens to start his ministry among us in October. Our council has been considering how his family can eventually move here, as the family desires, given the level of housing allowance we provide him.

Our Council has concluded that the local cost of housing in and around Massapequa, whether rented or purchased, is now so high that too many pastors cannot afford to move here.

The council has instructed the property committee to examine in detail the costs and logistics of building a parsonage on our land at the end of our parking lot, to have our future pastors close to us, and to leverage and grow the value of our own idle land.

The finance committee is examining our resources and options. When the research is completed, they will communicate their findings and recommendations to council and congregation.

ELCA Presiding Bishop Reflects NEW ORLEANS (Aug.12, 2016) –

In her report to the 2016 Evangelical Lutheran Church in America (ELCA) Church wide Assembly, Presiding Bishop Elizabeth A. Eaton said much of her focus the past three years has been on the “how and why we do this work,” reminding the assembly of her four emphases for this church:

We are church first. Our lives are formed by God’s word and the sacrament, that we gather as

the beloved children of God around these means of grace.

We are Lutheran. We shall no longer define ourselves primarily by northern European culture. There are more Lutherans of color throughout the world than there are European descent Lutherans. In order to help us define ourselves rather by our theology, she is calling on us to read the small catechism together from now until October 2017.

We are church for the sake of the world. She noted the ELCA's strategy to accompany migrant minors with protection,

advocacy, representation and opportunities.

We do not to see people as only problems to be solved, but as the suffering Christ himself. (Matthew 25).

Because we are baptized, we have all been marked with the cross of Christ and so we ought not to run away but to run toward those dark and deadly places, bringing the light of Christ," she said.

Welcome Back to Preschool!

As I write this article it is the second of August and Preschool Summer Camp is in its 5th week. This week's theme is musical instruments. We made rain sticks and castanets so far this week. Our previous themes were dinosaurs, transportation, Pete the Cat and Super heroes.

Next week we will join with VBS and have a barnyard theme. All total we will have had 28 children attending our camp throughout the program.

We are looking forward to our classes in September. We are welcoming many new students and are excited to have our classes filling up.

We are also looking forward to working with Pastor Stumme and having chapel with him. We will miss Pastor Arden, but we know Pastor Stumme will do just fine.

The Little Lambs/Mommy and Me class has been moved to Monday as Mrs. Patrissi will also be teaching the 2 ½ year olds on Tuesday and Thursday and assisting with the 4 year olds on Wednesday and Friday.

She is also getting a new room as we will be once again using the Nursery classroom as it has better egress for safety than Room 2 and a bathroom which Room 2 does not have.

In the coming weeks the staff will be cleaning and preparing the rooms for September. This is when they get really excited about the year to come. We hope everyone else is excited about the coming year too.

We still have a few openings for the fall. If you would like more information please call Robin Lever at 799-5824.

Register Now for Sunday School

Sunday School classes meet on Sunday mornings from 9am to 10am, this is by design to coincide with our 9am worship service. Kids and families get the most out of their Sunday School experience when parents go to church while kids are in class. That's because we use a lectionary curriculum, which means that the kids are learning the same lesson that's read and preached about in church. Talking about it with parents on the way home or over lunch, helps kids grow in their faith even more!

At St. David's we begin Christian instruction at age two—our littlest learners quickly know that Jesus loves them! In the preschool room, kids age two to four have circle time for the Bible story, say grace together at snack time, color, make crafts, sing, play, and pray together. Elementary school kids (grades K-5) study a Bible story each week and make connections to their lives. Teachers use learner leaflets, coloring, crafts, and games to engage kids in the material. Kids also learn the Lord's Prayer, the Ten Commandments, the Apostle's Creed, and more.

Learning how to worship is important, too, so each week we begin with a large group opening in "Children's Church" up in the old nave. Kids help light candles, read, collect offering, and participate in a short (about 15 minutes long) kid-friendly service. The highlight is Pastor's weekly visit to share the Word with the kids. And there's always singing!

Sunday School kids also participate in our annual Christmas Pageant Play which lets them step right into the story of the birth of Jesus. Fifth graders are asked to attend three additional sessions on Saturdays in the spring to prepare to receive their first Holy Communion (which will be scheduled on or near Pentecost).
